"PETER PAN"

The second star to the right shines in the night for you, to tell you that the dreams you plan really can come true. The second star to the right shines with a light so rare and if it's Never Land you need, it's light will lead you there. Twinkle, twinkle little star so we'll know where you are, gleaming in the skies above, lead us to the land we dream of. And when our journey is through, we'll thank the little star that shines the second star from the right. Based upon Sir James M. Barrie's 1904 classic about the young lad who refuses to grow up, OUR PRODUCTION begins in the London nursery of Wendy, John, and Michael Darling, where three children are visited by Peter Pan. With the help of his tiny friend, the fairy Tinkerbell, Peter takes the three children on a magical flight to Never Land. This enchanted island is home to Peter, Tinkerbell, the Lost Children, Tiger Lily and her Native American nation, mermaids, and the scheming Captain Hook who is as intent on defeating Peter Pan. Come join in the fun and be part of the DramaWorks Repertory Company of Young Actors.
